INSTRUCTIONS FOR USING THIS FORM

1. Page one is your Registration Form and page two are Display Forms that will go with your entry on the Display Tables.
2. Enter your Name, Address, City, State, Zip Code, Phone # and E-Mail in the boxes on the top of the Registration Form (first page).
3. In each of the blocks on the Display Form (page two) enter the Title of your entry, Category and your Name. **Do NOT put anything in the number box at this time.** If you need more copies of page two for additional entries, simply start with a fresh form and only use page two. Repeat steps 3-4 as needed. Since entries for each category are located in different areas in the Display Area you will need to fill out separate Display Forms for each category.
4. Print the forms, sign the Registration Form and bring all forms to the show with you
5. Once you have paid the entrance fee the Registrar will issue you one numbered sticker per entry. The Registrar will collect and keep your Registration Form (page one)
6. Place one sticker on each entry (which number on which one is up to you) and write that number in the corresponding number block on the Display Form.
7. Arrange your entries on the display tables in the areas designated for the category or categories you want to enter and place the numbered Display Form with the entries.

ENTER INFORMATION ABOUT YOUR ENTRIES IN THE SECTIONS BELOW

(Use several sheets of Page 2 if needed)
